Jay-cee Host Today to County Seniors

Santa Ana junior college holds open house this afternoon to all high school seniors of Orange county. Approximately one hundred guests are expected.

The program opens in the high school auditorium at 3:30 by introduction of the senior presidents. A play and several musical numbers will be included in the afternoon's entertainment assembly.

After this visitors have their choice of exhibitions or games, among which are art, science laboratory and printing exhibits, and a womens baseball game.

Supper will be served on the west lawn from five-thirty to six-thirty, after which will be an informal dance in the gym, accompanied by Roy Griset's orchestra.

"Taming of the Shrew" follows at eight-fifteen, presented by college students. Visiting seniors will be given complimentary tickets to the supper and the "Taming of the Shrew". Members of the college will be charged fifty cents for each of the two functions.

Scarlet and Black are Made official Colors

Scarlet and black were the official school colors chosen by the Santa Ana junior college student body last Monday, May 14. When the votes were counted, there were 126 in favor of scarlet and black, and 40 in favor of purple and white.

By a decision on the same ballot, the new colors will go into effect immediately. The vote on this question was 122 to 52.

Bachelors Entertain May 23 Assembly

Brothers of bachelordom will entertain the student body at regular assembly next Wednesday in the high school auditorium, when a program will be given through the courtesy of the Brotherhood of Bachelors under the direction of Gerald Twist.

Spencer Stewart is to give a lino-leum solo accompanied by George Tobias. Lawrence Minge, Gerald Twist, and Edwin Gerhardt will enact the death scene of Cleopatra and give a dialogue. A cornet solo by Harmon Howard will complete the program.

Presidents Greet Visiting Seniors

The Santa Ana junior college is delighted to welcome you during these **Fiesta days**. We are sure that it would not be possible to find a finer group

of guests anywhere. Orange county high schools with their excellent corps of teachers and equipment are justly proud of the records made by their graduates in higher institutions. We trust that you will find us equally delightful hosts. In all the arrangements provided for your entertainment we are endeavoring to reincarnate the spirit of the Dons of the early days in California when life was so glorious and enjoyable.

We hope you will so enjoy all events on the program that you will want to come again to bet better acquainted with the Santa Ana junior college.

D. K. Hammond, president of the college

We, the students of Santa Ana junior college, have set aside a day and have provided for you an evening of entertainment. Each and everyone of us expresses in full measure a hearty welcome. We have a friendly interest in each of you and we desire your friendship. It is our hope that in the coming academic year we may greet you on our campus. We hope that you will share with us the pleasure our valuable traditions afford us and that you carry with you the awards of a high class college. It is our great pleasure to hand to you the keys to our campus.

Lawrence Minge, student body president

Last Student Dance Dated For Saturday

The new American Legion hall in Orange has been selected as the place for the informal dance, to be held Saturday evening, May 19, which will form the grand finale of the Spanish Fiesta celebration. Ruth Tantlinger, social commissioner, is in charge of the event.

Although the Spanish motif will be carried out in favors, decorations and refreshments, the dance will not be a costume affair because the students will have worn costumes during two fiesta days.

Decorations will be in charge of Helen Knox, who will choose her own assistants. Adelaide Mueller and Melva Fletcher are to plan favors. Ruth Tantlinger will furnish refreshments.

Successful Don's Day Inaugurates La Fiesta

Dons' Day, the first day of the three day Fiesta celebration, was successfully presented yesterday through the efforts and cooperation of students and faculty.

Students in brilliant Spanish costumes marched to the arena singing. John Allen Fitz, master of ceremonies, introduced "the first Don of us all" President D. K. Hammond, and Father St. John O'Sullivan, mission worker of San Juan Capistrano.

Madame Manuela Budrow then charmed the audience with several lovely Spanish songs, and the ever popular college trio of Eber Flaus, pianist, Jane Stewart, violinist, and William Fox, cellist, gave well-accepted numbers.

The difficulties of serving lunch were overcome by an able committee and after a satisfying meal the student revelers enjoyed an informal dancing hour in the gymnasium.

The afternoon's program opened with a mock bull fight, the parts of the bull being Homer Humphrey and Edwin Gerhardt. The daring toreadors were Wilbur Allee, Roy Lindman, and George Tobias.

Much interest was shown in the dancing exhibition presented by Mrs. Ellen Foote with members of her class. They were led by Melva Fletcher.

Hazel Smith and Lois Allen gave their usual accomplished performance, Miss Smith singing a selection from a Handel opera, and Miss Allen playing several pieces on the

Editorial Comment**FIESTA GUESTS**

Why be a Don? We want you. Santa Ana junior college will welcome you, a member, tomorrow—as we welcome you, a friend, today. We want loyalty and enthusiasm on our campus—we want you to be a Don with us.

BY INSTALLMENTS

That's what we're getting—education by installments. It must be admitted that the patience and persistence of professors impel many students to stay on the job. We simply have to keep on working or else fall down on our payments. Pay up or lose—such is college.

THE GRUMBLE SEAT

Most colleges have them. They are built-in like apartment furniture. Nor are they special contraptions like rumble seats in certain cars. They are usually the rear seats of college activity.

Probably this is the trouble—they are rear seats. An enthusiasm prevails to occupy the front seat. To be somewhere near the spot-light is the ambition of most passengers. If some fail, the grumble seat swings into criticisms with its loud speaker.

Back-seat drivers' licenses have been issued by jokers; but something should be done to put a genuine curb on the grumble seaters. They take liberties whether they have a joker's license or not and sometimes have a dire effect on college spirit.

WHAT'S IN A NAME?

What is honor? We read of a college woman who rejected membership in an honor society because she did not consider grades as true honor standards. Was she not right? Can scholarship alone define honor? Where praise is due, laurels merited, in any phase of college activity, let all honor be given. But why confine honor society membership to D. A. R.'s only?

**College History
Result of Teachers**

D. K. Hammond president, and E. M. Nealley, philosophy professor, have kept ideals and standards of the college high during the years from 1915 when enrollment numbered only fifty students to the present date when more than 300 are in attendance.

D. K. Hammond has been president of Santa Ana junior college since its organization in 1915. Born and educated in New England, the cradle of scholarship in the United States, he has never lost sight of the ideal of scholarship and culture for the junior college. To this end, he has chosen his faculty, nearly all of whom have the master's degree, and have travelled or studied in Europe.

Edward M. Nealley has long been the very core of the intellectual life of the college. Until increasing numbers made it no longer possible, his home in Tustin was the center of the college's social life. Mr. Nealley's ripe scholarship, his broad sympathies, his intellectual alertness, combined with his gracious hospitality have been delightful factors in our college life.

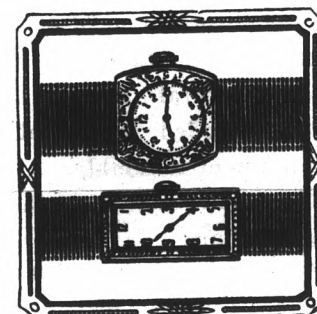

**Viva la Espana,
For It's Fiesta Time**

Eat, drink and be merry for it

is fiesta time! Viva la Espana!

The custom of the fiesta is a fixed tradition in Spain. It has existed for many years and is looked forward to by all. This is the first year of the fiesta at the Don junior college but many have hoped it will become a tradition here.

Our fiesta is patterned after that of the agricultural districts of Spain, the ceremonies being very similar. Extreme graciousness and hospitality are main features in creating an atmosphere peculiar only to the Spanish fiesta.

Change Of Press Club Name to be Made

That the name of the college Press club was not distinctive enough for the journalistic organization of the college was the decision of the club at the last meeting, May 4. A committee is to submit a group of suitable names at the next meeting.

A beach party is being planned as the final event of the year.

At this time all those working on a student publication and all those interested in journalistic work will be invited to frolic with the members. A small fee will be charged to those who attend.

The Press club, considered by many to be the most influential student club on the campus, is organized for the purpose of giving a social side to the journalistic work on the campus. Membership is open to any student who is working or has worked on a student publication.

Pins For Beta Gamma Being Secured

Members of Beta Gamma can still secure the society's pin of gold and blue bearing the Greek letters Beta Gamma at Ewert's Jewelry store, 113 West Fourth street.

Beta Gamma is a service honor society organized for the purpose of recognizing unselfish service to the school and of bringing students together to create a college spirit on the campus.

Students are elected to the society by those who already hold membership. Meetings are usually in the form of dinners when clubs of the college are discussed. Social meetings are also held frequently throughout the year.

Activity of the society is principally that of an organized perpetuation of dynamic ideals for the college. It discusses movements within the college and places within its members the responsibility of putting college ideals into practice.

Bachelors Pledge Selves To Support Fiesta

That the Bachelors would pledge themselves under the leadership of Faris Edgar to support the Spanish Fiesta and act as guides for the program today was the action taken by the Bachelors at a recent meeting.

The main purpose of the club, one peculiar to the Santa Ana junior college, has always been to promote school activities. Promotion of college traditions is another purpose of the club. Traditions of the bachelors are traditions of the college.

Membership is limited to twenty-two. No one may become a member without the approval of every member.

O. K. Club Closes Year With Barn Party

A barn party on June 1, on West Seventeenth street will be the next and perhaps the last social event of the year for the O. K. club. Miss Helen McCoy is to be the hostess at the unique affair.

The O. K. club organized this year has for its members all students not living at home. The club has proved most successful socially and will undoubtedly become a permanent organization on the campus.

Lively Entertainment Features Spanish Club

An exciting peanut hunt, guessing of games and skits, as well as delicious refreshments were incentives to attend the Spanish club party.

Faculty Host To Honor Students At Mission Inn

Invitations have been issued to members of the Honor Society, scholastic organization, to be guests of the faculty at a dinner to be held May 23, at the famous Riverside Mission Inn.

Similar dinners given for the past several years by the faculty at Riverside have made it a traditional affair.

Theodora Mueller is now president of the society, and Miss Lella Watson is faculty advisor.

W. A. A. Plans for Last Y. M. Cabinet Enters Banquet of Season Into Official Duties

"The banquet is going to be keen" announced Margaret Glenn, chairman of the decoration committee for the Women's Athletic association banquet which is to take place at Ketter's gold room, May 24, at 6 o'clock.

A three course dinner will be served for 85 cents to all active members of the W. A. A. and to as many of last years members as are able to be present. Invitations are in charge of a committee headed by Barbara Goodrich. Decorations will be in pastel shades.

According to Jean Nicholson, chairman of the program committee, features of the evenings entertainment will be a vocal duet by Mary and Marion Bruner, a reading by Thelma Dugan, and a talk by Mrs. Robert Northcross. Block letters are to be awarded to thirty-six girls who have participated in college sports during the past year.

With the presentation of the gavel to Sterling Barnett, recently elected president of the campus Y. M. C. A. by Melvin Harter, past president, the "Y" cabinet entered immediately upon the year's official duties. The installation ceremony was performed at a traditional breakfast served in the cafeteria last Friday morning to members of the old and new cabinets, and to the president and vice-president of the Y. W. C. A.

Contest Funds Placed Con Athletic Budgets

Funds received from the Don and Dona contest are to be apportioned between the Fiesta committee and the W. A. A. on the basis of twenty and sixty per cent, the larger percentage going to the W. A. A., it was decided at the executive board last Monday.

Approximately \$26 were taken in at the ballot box when the last votes were counted Friday afternoon.

Jean Nicholson, commissioner of women's athletics, reported that Santa Ana junior college has been elected to sit in on the cabinet meeting of the Women's Athletic federation as member at large. The office was received at the women's playday at Chaffey junior college last Saturday.

The board voted to send Lawrence Minge to the conference of junior college presidents to be held at Pasadena, June 9. A decision was likewise made to sell Roderick Smiley and Walter Chandler, baseball men, student body tickets.

It was reported that plans for the Fiesta are working out successfully.

Members of the cabinet are President, Sterling Barnett; Vice-President, George Tobias; Sec.-Treas. Chas. Spotts; program chairman, Harry Van Gorkum; deputations chairman, David Cherry; social service chairman, Delmar Brown; membership

"Shrew" in Hands of Experienced People

Ernest Crozier Phillips, Marion Bruner, and Ray Lindman, the principals in the junior college Shakespearian play to be given tonight, have had a large and thorough experience in dramatics. Each one has already spent a large portion of his time on this play, and on many others in the past.

Although this is his first experience as director of a Shakespearian play, Phillips has assisted Madame Modjesmany of Shakespeare's plays, and is familiar with every detail of them.

He was

graduated from the Cumnock School of Expression in 1905. As director of the Santa Ana Community Players, Phillips was very

Successful.

Marion Bruner has the leading feminine role as Katherine, the Shrew. Miss Bruner played the juvenile lead in 'Whispering Wires' one of the community plays given several years ago. The leading role in the high school senior play, 'Mary Jane's Pa', was undertaken very successfully by Miss Bruner last year. She has been very prominent in dramatics in church circles during the last five or six years.

Marion Bruner

Ray Lindman plays the part of Petruchio, the "tamer". Lindman had two years of experience in dramatics at the South Pasadena high school before he attended the local junior college. He was assistant student director of dramatics while in high school. He also played the juvenile lead in one of the plays presented by the Pasadena Community Players.

Ray Lindman as Petruchio and Marian Bruner as Katherine, enact a scene from the "Taming of the Shrew", in which successful, though harsh, methods are used by the tamer in subduing the shrew.

Annual College Play Presented Tonight

A new level of dramatic work will be reached tonight in Santa Ana college when Shakespeare's "Taming of the Shrew" is presented as a climax to the Fiesta program. The high school auditorium is to be the scene of this annual event.

After six weeks of rehearsing, the cast, made up of talented members of the student body, is ready to present the most modern of all Shakespeare comedies. Costumes have been rented at a cost of over a hundred dollars to carry out properly the setting and the atmosphere.

Tonight's performance will also mark the premier view of the new four hundred dollar set. Made in exact representation of the set used at the Shakespeare Memorial Theater in Stratford, England, it is a valuable addition to the local stage for this and future productions.

"The Taming of the Shrew" abounds in clever situations according to reports received from those who have witnessed rehearsals. The plot centers around Petruchio, and

his attempt to tame the shrew, Katherine, Grumio and Biondello, as the fools, afford much light farce.

Tickets are on sale at the Santa Ana Bookstore and in the school bank. Prices are set at 50 cents for lower floor and 35 cents for the balcony.

Bull Smuggling Is One Big Success

Every car, motorcycle, and bicycle on the highway was stopped by officers Hammond and Fisk Wednesday night. The force had been given a tip that a bull was to be smuggled in for the college bull fight.

As the men were hard at work delaying traffic, a truck approached with two horned heads protruding from each side.

"Lafayette, they are alive!" cried Fisk.

"And how!" rejoined Hammond. "Mooooo!" the cows bawled.

When the officers had recovered from their fright, the truck was out of sight.

The next car was a sport coupe driven by an old white-bearded man. He was stopped and duly searched. "Whadda youse guys want?"

"Bull."

"Say, I know who you are. I graduated from your school last year. You'd better go back. You'll find more bull at the school than out here!"

Minge and Fitz Indulge in Skirmish

Generalissimo Manuel Miguel Maxixe Minge's magnificent man-handling marauders and Corporalissimo Jesus Felice Apostolotas Boniface Fitz' fighting phalanx surprised each other when they met in Senor Jose Rodriguez' berry patch last night. A lively skirmish ensued in which most of both forces were killed. No damage was done.

Geno. M. M. M. Minge reports that a berry fine time was had by all. Corps. J. F. A. B. Fitz reports that a berry fine time was had by all.

Neither army knew the other was present until some juice from Fitz's grapefruit squirted into Minge's eye. (Editor's note: This is a berry patch.) (Reporter's note: Then it must have been from a strawberry. Pardon, Senorita.)

Corpo. Fitz regrets that the battle was a surprise and promises that the next will be advertised a week ahead so that a larger audience may be present. (Editors note: Have you answered Who? Where? When? Why? and How?) (Reporters note: No, but I shall.)

It was Senor Jose who killed the men. No! It was his berries!

S. A. J. C. Seeks For Spanish Gold

Doublons, pieces of eight, bullion, heaps of golden chains and gold mounted jewels—all these the Spanish pirates of the bounding main sought in the days of long ago. Many weary seas they swept in their graceful galleons, driven by slaves and manned with the most desperate, bloodthirsty crews which history relates. For gold they suffered hunger and thirst—for gold they forced innocent men to walk the plank and murdered women and children—for gold—always gold!

Santa Ana college has taken the Spanish grandee of old as a pattern of gracious hospitality and courtesy. Like the dons we seek for gold, but our treasure lies within ourselves.

Traditions Of the Dons

"The king of France with forty thousand men marched up the hill, and then marched down again." But he didn't have anything on our student body king who has a better time marching down than he had going up. Why? Just because his swan song takes the form of King's Day, when he can issue orders to both students and faculty. And the pleasant part for the king is that his or-

ders positively and absolutely must be obeyed.

Do we ditch? And how! We even have a special day set aside when ditching's what we can't do nothin' else but. This same bossy king tells us what day to make ourselves conspicuous by our absence, and we're only too glad to obey his orders.

Yes, and another thing we do is to get together every spring for a college play, which to quote Dick Deadeye is a "humdinger". This year we'll have the pleasure of seeing an august member of our student body try his hand at taming a shrew. It's the first time any of the big he-men of our college have even tried such a thing and we're rather anxious as to the outcome.

Toreador Tells a Few Secrets

Tortillas, enchiladas, y plenty hot tamales was the diet several sophomore girls decided upon for adoption during the Fiesta, in order to show their hearty approval of the gala occasion. After three hot ta-

males and fifteen glasses of ice water were consumed, the idea was abandoned.

Dorothy Clarkson had a suppressed desire to be Dona so that she could wear gobs of black silk underskirts that "rustle when you walk".

Louise Griset had another reason for longing for the distinctive honor—a particularly well-rounded shoulder that she'd like to expose.

It's funny, most people don't enjoy airing the family skeleton.

Football Material For Last Conference Ball Don Park Stars In The Track Prospects For Next Year Team Good Game at Long Beach Long Beach Match 1928 at S.A.J.C. Bright

Headed by Don Woodington, next year's captain, the spring football team is rapidly uncovering much fine material for next fall.

Both veterans and new candidates are showing marked improvement in the line and backfield positions. Bill Cooke, college grid coach, is giving each fellow a fair chance to work into the position he is best suited for. A few signal plays have been given, but so far the important factor is learning the offense and defense positions. The Dons will have Woodington, the perfect center; Casey "shiek" guard; "Pop" Weaverling, 6 ft. 2 in in his stocking feet, Guyer, red hair flyer; Hafer, high jumper end; and Lehr, one of the four horsemen; all representing second year men. Along with these lettermen will also be fortunate in having others stars from the high schools surrounding the junior college.

"Jim" Musick, was the pride of Santa Ana high school for the past two years and will give his best for the college in a full-back position. "Joe" Warner, former guard of S. A. high, will probably be sure of a guard position and his ability might also afford him a chance for the backfield.

George Warner, also of Santa Ana high school, will again take a position as end, but this time for the Dons.

The two Adams brothers will be with us. Ed having a fine chance as guard or tackle and Parker in an end position.

"Reg" Rust can take a place on the line or back-field.

"Bill" Dugger, proved to have the honor of the most minutes of play on the high school team of last year, will again be given the same opportunity. The half-back is his favorite.

"Eric" Twist, brother of our famous "Pete", will give his relative plenty of competition for popularity, with his 180 lbs., and fighting spirit.

"Red" Manderscheid, former full-back of the high school, is a reliable man for any back-field position.

Even will all these stars, we are expecting some fellows from Huntington Beach, Orange, and Tustin.

"Ain't it a grand and glorious after winning the conference championship."

The last conference baseball game will be played Saturday afternoon, May 19, at Long Beach. It was to have been played on the local diamond, but due to the beach city's win over the Pasadena Pirates they have refused to travel here for the game. The main reason for the refusal of Long Beach to play here is because the Long Beach junior college thinks it has a chance of winning the league.

The starting lineup will include either Beatty or Bratmiller pitching and Edson catching. Knight will be at first, White at second, Roach or Beatty at third, and McMillen at short. The outfield will be handled by Smiley, Martin, and either Edwards, Chandler, or Vance.

Womens' First Team To be Awarded Letters

Block letters and one-hundred points towards a script letter will be awarded to eleven women who have made the first team baseball.

The first team consists of Margaret Glenn, Dorothy Plank, Alice Prather, Barbara Goodrich, Violet Gardener, Opal Vandruft, Helen Richards, Ruth Tantlinger, Josephine Ball, Jean Nicholson, Dorothy Vincent and Pauline Neddermeyer.

The second team is to receive seventy-five points towards a script letter. Members of the team include Helen Reynolds, Catherine Jessup, Louise Grisct, Ruth Harmon, Helen O'Brien, Thelma Dugan, and Jane Stewart.

The "Warhoop" of the San Bernardino junior college is sponsoring a popularity contest through its pages. The most popular man and woman and the best all around man and woman will be selected by popular vote. A similar contest will be held in the high schools of the community to promote friendship and closer relation between the institutions which are in no manner connected at present. When the selection has been made, there will be a grand masquerade in the college gym with the winners as ruling sovereigns and the high school victors as attendants.

Let's go for that trip to Honolulu.

Don Park starred for Santa Ana in the Long Beach tennis match here last Saturday. Park won the first singles, making the only points Santa Ana won.

Art Stein lost the second singles 6-2, 6-3, after a hard struggle. Long Beach took the first doubles from Chet Chandler and Julius Borden with a score of 8-6, 6-2. The Dons forfeited the second doubles.

The final score was Long Beach 12, Santa Ana 5.

Junior College Play Day at Citrus, Success

Sportsmanship spirit were factors which lead to the success of the junior college play day held at Chaffey junior college last Saturday.

Santa Ana entered two baseball teams, a swimming team, and a tennis team in the events.

Since the Stiff Socks won the baseball championship, they were entered as first team. Fullerton's first team won 20 to 5. The members of the Stiff Socks include Opal Vandruft, captain; Violet Gardener, Dorothy Vincent, Ruth Tantlinger, Josephine Ball, Jane Stewart, Margaret Glenn, Barbara Goodrich, Catherine Jessup, and Ruth Harmon.

The Hard Knocks, playing as second team, lost to Pasadena's second team with a score of 6 to 2. The Hard Knocks' team consists of Alice Prather, captain; Pauline Neddermeyer, Helen Richards, Jean Nicholson, Dorothy Plank, Helen Reynolds, Helen O'Brien, Louise Grisct, and Thelma Dugan.

The swimming team composed of Barbara Isch, Charlotte Browne, Marian Gardner, and Lois Allen, won fifth place in the meet.

Eleanor Crookshank, playing first singles in tennis, won over Compton; Judy Cummings and Dorothy Dungan, playing first doubles, won over Citrus.

Long Beach junior college baseball team won its third league game from Compton by a score of 5-3. The beach team will be a favorite over the locals next Saturday.

Plans are being made for the Engineers' Open House at the University of Washington college of engineering, April 13 and 14. Between 10,000 and 12,000 people attended the last Open House, and the committee in charge anticipates a larger number this year.

Under the leadership of such athletes as Captain "Red" Guyer, who was even mentioned for captain of this year's squad, Russel Hind, and Bob Jacques, the conference track championship should be easy next year. Beside these high class performers a group of men from Santa Ana high school are expected who made no mean marks in the Southern California meet this year.

With Velarde and probably Moffat in the hurdles and broad jump, Warner in the 440 yard run, Musick and Rust in the weights and Art Jacquee who is now consistently doing near six feet in the high jump, who knows what the team can do. Coach Bill Cook says that prospects are exceedingly good and is overjoyed with the outlook.

SHORT SPORTS

It might be interesting to know that six players now playing regularly on the Don baseball squad had never played baseball until this year. Considering the inexperience of the players on the local squad they are really coming through.

Emerson Spencer, captain of the Stanford track team broke Ted Meredith's record of 47.4 for the 400 meters in the Olympic tryouts last week at Stanford. Captain Spencer negotiated the distance in 47 seconds.

"Red" Guyer placed second to Draper of U. S. C. in the S. P. A. A. U. meet held at Claremont last Saturday. Draper's time was 24.5 seconds. "Red" also took a second in the 220, coming in only inches behind Draper. Time was 21.5.

Russell Hind was right on Guyer's heels in both runs Saturday. Russell is a very consistent fast stepper in the dashes.

Girls Tennis Team Is To Be Awarded Soon

Girls who are members of the tennis team and who will receive letters as well as first team points are Dorothy Dungan, Catherine Jessup, Alice Prather, Julia Cummings, Helen Drake, and Eleanor Crookshank.

Letters will also be awarded to the swimming team members, Bobby Isch, Julie Bingham, Charlotte Browne, and Lois Allen.
